Thank You

The van Vuuren and Scherzer families for their support this year.

John Cawood for making sure all our stories get published and to Dave Savides at Zululand Observer and Baywatch for their extensive coverage this year.

2018

The 2018 KCS committee has lots of challenges and I wish the elected official well. In 2018 we travel to East London and Jeffrey's Bay and PE It is going to take a huge effort from us all to be represented at these events, but as always we will persevere for the love of this awesome sport.

Drug Free sport as set out by SASCOC and the IOC of witch SSA is affiliated is a must priority for KCS and all surfing regions within SA in 2018. Surfing is now an official Olympic Sport!!

All my love and thanks to May and Ben whose support throughout the year made it all possible.
